About this property

In a magnificent stone building constructed in 1862, this elegant seven-room apartment, located on the 2nd floor accessible by elevator, has carefully preserved all the charm of the period: moldings, parquet flooring, fireplaces, and original door and window hardware. Benefiting from a beautiful ceiling height of 3.25 meters, this family and reception apartment is comprised of a spacious entrance hall, a large living room, a dining room, a study/bedroom, four spacious bedrooms, two bathrooms, a separate eat-in kitchen, and a laundry room. A secure double cellar completes the property. Two service rooms are available at an additional cost.
