About this property

In Boulogne-Billancourt, in the sought-after neighborhood of Boulogne North, rue du Châteaueau, very close to Boulogne - Jean Jaurès metro station, on the second floor of a well-maintained building with elevator, a 60 sqm 3-room apartment to renovate. A cellar in the basement. It consists of a hallway with storage, a bright living room facing south with an unobstructed view, two quiet bedrooms, a dining kitchen, a bathroom, and separate toilets. The layout offers great potential for reconfiguration, including the possibility of creating an open kitchen on the living room, according to the project shown in the visuals. Floor plan also available in photos.
